## **LCDF Investigators Make Contraband Arrest**

On September 8, 2020, investigators within the Leon County Detention Facility (LCDF) arrested 46-year-old Lutashia Galloway for Smuggling Contraband into a Prison.

Through an investigation beginning on September 3, officers learned Galloway, an employee for a facility food vendor, brought a package inside the facility and gave the package to a current inmate. The package was not approved by the LCDF. Further investigation revealed the inmate attempted to take the package inside his assigned pod where it was confiscated by a correctional officer. The package contained a green leafy substance. Field tests performed on the substance for marijuana proved negative results. The substance and original packaging were packaged and sent to FDLE labs for further testing.

Galloway told investigators she was giving the inmate diet slips which indicate an inmate's request for certain meal diet provisions, however detention center security video and other accounts of the transaction proved otherwise.

The investigation into this incident is still ongoing.

Galloway was arrested and booked into the Leon County Detention Facility.
