### LCSO Makes Arrests in Recent Shootings

On Friday, October 19, 2018, the Leon County Sheriff's Office responded to the area of White Oak Drive in reference to a shooting. One victim, a 15 year old black male, was found shot and was taken to the hospital. The investigation led LCSO detectives to develop probable cause for the arrest of 17 year old Jaylen Miller. They also found the suspect and the victim knew each other, and were involved in an altercation. Miller was taken into custody by the U.S. Marshal's Violent Fugitive Task Force this morning in Tallahassee. The investigation into this incident is ongoing.

Last night LCSO responded to a vehicle burglary in the area of Crossway Road. Responding deputies were told the suspect, 34 year old Erick May, had shot at the vehicle owner when he chased May down the road. When deputies arrived on scene, they found May had gone to another local business and attempted to shoot another person there. The gun malfunctioned and no shot was fired. Deputies were able to take May into custody while on scene.

While investigating the burglary, LCSO received a call from another business in the 200 block of Crossway Road. One of their employees found a deceased male, identified as 60 year old white male Paul Hogg, on their property. Hogg was also an employee of the business. Hogg had been shot. Through investigation, detectives were able to determine May had shot Hogg.
