### Sheriff Larry Campbell Hosts Internet Crimes Against Children Unit Media Open House

On Monday January 11, 2010, Sheriff Larry Campbell will host a media open house to introduce the community to the Leon County Sheriff's Office newly created Internet Crimes Against Children (ICAC) Unit. The Leon County Sheriff's Office ICAC Unit is being created in response to the increasing number of children and teenagers using the Internet, the proliferation of child pornography, and heightened online activity by predators seeking to victimize children. During this open house the media will be introduced to the law enforcement specialists who are assigned to the unit. Sheriff Campbell will discuss how the ICAC Unit uses the latest in forensic and investigative technology to effectively respond to cyber enticement and child pornography.
