Deputies Arrest Man for Stealing Scrap Metal

On January 3, 2012, the Leon County Sheriff's Office responded to 1351 Aeon Church Road, Leon Iron & Metal, after William Grimes discovered a large amount of scrap metal had been stolen from his property in the 4700 block of Capital Circle. Grimes had located uniquely shaped and sized pieces of metal, including metal brackets that he had custom made.

Deputies were able to determine that the metal had been sold on January 2, 2012 by 32 year old Jerimee Hatcher. By working closely with the staff at Leon Iron & Metal, detectives were able to confirm that Hatcher had stolen a total of 5,650 pounds of metal from the fenced lot owned by Grimes.

On January 10, 2012, detectives were able to locate Hatcher in the 3000 block of Tharpe Street and interview him. Hatcher was taken to the Leon County Jail.
