Car Seat Inspection and Installation Event

The Leon County Sheriff's Office will be hosting a child restraint seat inspection and installation event this Saturday, January 17, 2009, at the Tallahassee Flea Market located at 200 Capital Circle Southeast. Certified child restraint seat installation deputies will be on hand from 12:00PM to 2:00PM and available to assist attendees with proper car seat installations.

Nationally statistics show 80% of car seats are installed incorrectly and can sometimes be as dangerous as no restraints at all. The Leon County Sheriff's Office encourages anyone that transports children to come by and have their car seat inspected and checked for proper installation.
