### Update: Detectives Arrest Daniel Pruitt for Envision Robbery

At approximately 2:00 p.m. on Saturday, January 29, 2011 the Leon County Sheriff's Office responded to 3618 North Monroe Street in reference to a robbery. Deputies arrived and learned that a man entered the bank, passed a bank employee a note demanding money and fled the scene with an undisclosed amount of cash.

Detectives from the Crime Scene Unit and the Violent Crimes Unit responded to the scene, collected physical evidence and conducted interviews. The suspect is described as a white male in his 20's to early 30's. He was wearing a black shirt with a red and silver emblem on it and a gray jacket. The man was wearing jeans and boots. He appeared to be approximately 5-08 tall and is estimated to weigh 160 pounds. The bank's surveillance system captured images of the suspect and they were broadcast to the public through local media outlets.

Detectives stated that Daniel Pruitt, 39, walked into the Leon County Sheriff's Office and turned himself in after family members saw his picture in the media coverage of the robbery. Pruitt was interviewed, arrested and taken to the Leon County Jail. Pruitt is charged with Robbery and Grand Theft.

Sheriff Larry Campbell stated, "This is a great example of the media's coverage assisting law enforcement with an investigation. This defendant's family knew it was only a matter of time and they convinced him to do the right thing."
