Update On Cheryl Dunlap Case

Law Enforcement officials including Leon County Sheriff's Office, Florida Department of Law Enforcement and the States Attorney's Office met with officials from Georgia and North Carolina. They reached an agreement to release evidence obtained from the Gary Michael Hilton investigation and transfer it to Florida for continued processing.

Crime Scene personnel from the Leon County Sheriff's Office and the Florida Department of Law Enforcement are heading to Georgia today to take custody of the evidence. Once they return to Florida it will be submitted to the Florida Department of Law Enforcement Lab for processing. The results that are obtained from this process will be available to other law enforcement agencies that may have an interest in Gary Michael Hilton.

Sheriff Campbell said- "I am pleased with the progress and spirit of cooperation that we have enjoyed with all of the agencies involved."
