17 year-old Shot During Reported Attempted Home Invasion Robbery

Friday February 19, 2010, at approximately 10:15p.m., Leon County Sheriff's Deputies were called to 4400 Buster Road in reference to the report of a 17 year-old who had been shot during a reported attempted home invasion robbery. The preliminary investigation indicates that at least three black males, wearing all black clothing, armed with at least one handgun forced entry into the residence, through a back door, and began to fire multiple gunshots. A 17 year-old who was inside the residence armed himself and returned fire. Two other subjects who were in the residence were not injured during the exchange of gunfire. The 17 year-old suffered what appears to be a non-life treating gunshot wound to the pelvis and has been transported to the Tallahassee Memorial Hospital Emergency Room for treatment.

The suspects fled the residence and were last seen running toward the direction of Tall Top Drive. Sheriff's deputies and Tallahassee Police Officers are searching the area for the suspects or any evidence. It is unknown if any of the suspects were struck when the 17 year-old returned fire.
