Sex Offender Arrested for Armed Burglary

This morning at approximately 9:30a.m., Leon County Sheriff's Deputies were called to the office of the Cascade Village Trailer Park at 1936 Balkin Road. It was reported that a male subject was being chased by two other subjects and he had sought refuge in the office. When Deputies made contact with the subject who reported being chased, they identified him as Isaac Green.

An investigation revealed that Green had committed a burglary at 1539 Crown Ridge Road. The 38-year-old female homeowner reported she was lying in bed when she heard the front door open and observed an unknown subject, later identified as Green, enter her bedroom. The victim yelled at Green, who then fled the residence. The victim's 20-year-old son, who was also in residence, began to search the area for Green and spotted him walking in Cascade Village Trailer Park. As the victim's son approached, Green asked him for a cigarette and then brandished a knife when confronted about the burglary. Green fled to the Cascade Village front office and locked the door, at which point office employees called the Sheriff's Office. Witnesses confirmed Green was armed with a knife when he entered the office. Deputies found the knife which Green had hidden in the office trash can along with a can of pepper spray, a screwdriver, a pair of gloves and a change of clothes.

Green is a designated sexual offender who registered his address in Gadsden County. An investigation by the Sexual Offender Unit revealed that Green does not live in Gadsden County and that he has been living at 4023 Penelope Road in Leon County. Green is also a documented gang member.

Green will be booked into the Leon County Jail charged with Burglary of an Occupied Dwelling while Armed and Failing to Register as a Sex Offender.
