### Woman Arrested for Attempted Murder

At approximately 8:00 a.m. on Saturday, February 26, 2011 the Leon County Sheriff's Office responded to the 4100 block of Pleasant Drive in reference to a physical altercation. When they arrived, deputies made contact with 31 year old Quintina Franklin. Franklin told deputies that a man named Greg had forced his way into her residence on Nekoma Court, battered her, forced her into his car and then drove her to his residence on Pleasant Drive. Franklin had minor injuries to her face and one of her hands.

Deputies made contact with Gregory Brown, 37, at 4177 Pleasant Drive and discovered that he had severe lacerations to the left side of his face and cuts on his left hand. Deputies contacted witnesses who were with Franklin and Brown earlier in the evening and learned contradicting information about Franklin's account of the incident.

Deputies learned that after socializing, the other couple left and Brown tried to leave also. Franklin insisted that Brown stay with her longer and when he attempted to leave again, Franklin grabbed a pair of scissors and began stabbing him. Brown tried to fight Franklin off and was able to get away from her. He drove home to summon help from his sister. As Brown's sister was preparing to take him to a hospital, they observed Franklin waiting outside the residence. When Franklin was contacted by deputies, she had two large knives inside her handbag.

Brown was treated and released from Tallahassee Memorial Hospital with non life threatening injuries. Franklin was also treated for minor injuries, arrested and transported to the Leon County jail.
