North Florida Fusion eXchange Fusion Liaison Officer Orientation Planned

The North Florida Fusion eXchange (NFFX) is hosting the first of many Fusion Liaison Officer (FLO) Orientation and Planning Workshops. This event will take place in the classrooms at the Florida Department of Law Enforcement, March 2nd and 3rd from 9:00 a.m. to 5:00 p.m.

The primary responsibility of the NFFX is to recognize emerging trends that threaten the security of our region and provide timely notification to partners for operational planning and prevention within the 13 counties that comprise the North Florida Regional Domestic Security Task Force.

The mission of the North Florida Fusion eXchange (NFFX) is to prevent, pre-empt and deter acts of terrorism and criminal activity by collecting, analyzing, producing and disseminating information and intelligence for the protection of citizens, visitors, resources and critical infrastructure.

A "FLO" is an appointed representative from a local, state or federal agency (law enforcement personnel, other emergency services personnel and or non-government organization) who has agreed to participate in information and intelligence sharing with a fusion center. We will have representatives from Law Enforcement, Fire, Health, Emergency Management, K-12 Education, and Campuses as well as the private sector participating in this orientation.

The agencies mentioned have agreed to participate in the NFFX, the Region 2 Fusion Center.

Leon County Sheriff Larry Campbell and FDLE Supervising Agent in Charge Don Ladner will be welcoming the participants, speakers and guests.

Media partners are invited to attend the opening remarks and will be provided with an overview of the program from the Director of the North Florida Fusion eXchange, LCSO Lieutenant Jimmy Williams.
