### Watch as Air Support and K-9 Unit Capture Wanted Fugitive

Last night at approximately 10:00p.m., Leon County Sheriff's Deputies responded to the 4700 block of Orchid Drive in reference to the location of Willie Daniels who was wanted for felony battery. Daniels fled the area on foot as Deputies arrived. Air Support and a K-9 Unit assisted in the search of the area for Daniels. Air Support, using FLIR (Forward Looking Infrared) and night vision technology, located Daniels hiding near a residence on Poinsetta Avenue. FLIR is an imaging technology that senses infrared radiation (body heat). As Air Support kept surveillance of Daniels, Deputy Rob Wright and his K-9 partner "Tag" tracked him on the ground. Daniels was apprehended without incident in front of a residence on Poinsetta Avenue. Daniels was arrested and booked into the Leon County Jail.
