### Another Victim from the McDonald's\Circle K Shooting Identified

During the course of this intensive, complex and ever expanding investigation, Leon County Sheriff's Office Violent Crime Detectives have been seeking any witnesses from Sunday night's shooting at the McDonald's\Circle K on Lake Bradford Road. While viewing surveillance video Detectives observed a subject seeking cover during the shooting who appeared to sustain some sort of injury. Based on these observations Detectives were able to identify and locate the 28yoa male, who stated he was near the front of the store when he heard gun shots and sought cover. When the shooting stopped the subject realized he had been injured in the back. The subject did not seek medical attention or notify law enforcement. Detectives viewed the wound and have determined the subject was grazed by a bullet fired during this shooting. It has been determined that this victim was not involved in the events which lead up to, or during, this shooting. This brings the total number of suspects and victims shot to seven. Six subjects have suffered non-life threatening gunshot wounds and Curtis Brown was killed.

Detectives have also received unverified information that at least one other subject may have received injuries during this shooting. Sheriff Larry Campbell said "any person who was injured, witnessed or has any information about this murder investigation is asked to contact the Leon County Sheriff's Office Violent Crimes Unit at (850) 922-3300.
