Fourth Arrest in Connection with McDonalds\Circle K Shooting

Sunday morning March 29, 2009, at approximately 4:20am, Leon County Sheriff's Deputies responded to the McDonalds\Circle K located at 811 Lake Bradford after hearing gun shots being fired. In the parking lot of the McDonalds\Circle K it was discovered that Curtis Brown, 26yoa, had been shot and was dead in the front parking lot. As this investigation has proceeded it has been discovered that Tashawnbie Breyon Gay was approached by another subject and they began to have an argument. During the argument at the northwest corner of the McDonalds\Circle K near the bicycle rack, Gay drew a firearm and began shooting. At this point Earl Jackson also pulled a handgun from his pocket and began firing. Jackson and Gay have already been arrested in connection with this shooting.

Detectives viewing surveillance video from the time of the shooting observed Earl Jackson firing a handgun at the entrance of the store. Seconds later Jackson leaves the store and is seen falling down in the parking lot, dropping his firearm on the ground. A short time later another subject is observed picking up the firearm and walking to a vehicle. Detectives have been able to identify the subject who picked up Jackson's gun as Chris Harvey.

Yesterday Harvey was interviewed at the Leon County Sheriff's Office and confronted with the evidence of him picking up the firearm and taking it from the scene. Harvey was arrested and is charged with Accessory after the Fact and Tampering with Evidence. Harvey is a documented associate of the Holton Street gang.

Sheriff Larry Campbell said "as I stated very early in this investigation, this agency is committed to locating every person involved in Sunday morning's shooting and holding them responsible for their actions".
