### Tallahassee Woman Arrested for Attempted Homicide

Early this morning Leon County Sheriff's Deputies responded to 2502 Holton Street in reference to a disturbance. When Deputies arrived they discovered Sheena Latson had used her Jeep Cherokee to injure her girlfriend. The argument started in the victim's apartment, over Latson urinating on the victims clothing. During the verbal altercation, the victim went outside and began to break the windows of Latson's Jeep Cherokee. At this point Latson entered her vehicle and accelerated towards the victim, striking her and pinning her between an air conditioner unit, the apartment building and the front of the Jeep. According to witnesses Latson backed the vehicle up a few inches and struck the victim again, several times. Latson then exited the vehicle and began to strike the victim multiple times with her fist while the victim was pinned in by the Jeep. Witnesses intervened, pulling Latson off of the victim and called the Leon County Sheriff's Office.

The victim was transported to Tallahassee Memorial Hospital where she is being treated for non-life threatening injuries. Latson was arrested for attempted homicide and was booked into the Leon County Jail.
