Deputies Charge Man with DUI Manslaughter

At approximately 1:00 am on January 10, 2011, the Leon County Sheriff's Office responded to a single vehicle crash on Crawfordville Highway near the intersection of Glover Road, in southern Leon County. Arriving deputies discovered that a 2000 model Ford Ranger truck driven by 21 year old Ryan D. Breg had crossed over into the oncoming lane, left the roadway and rolled several times. Front seat passenger Mariah J. Harrison, 19, was ejected during the crash.

LCSO's Traffic Homicide unit responded and conducted a forensic examination of the scene which included a crash reconstruction.

Breg was treated and released from an area hospital for minor injuries, while Harrison suffered a traumatic brain injury, several broken ribs and additional internal injuries in the crash. On January 16, 2011, Harrison died as a result of her injuries.

The forensic investigation indicated that Breg had been drinking prior to the crash and tests later confirmed that his blood alcohol level was over the 0.08 legal limit set for the State of Florida.

On May 11, 2011, Breg turned himself in to deputies. He was arrested and taken to the Leon County Jail.
