LSCO Investigating Man Struck by Vehicle

Last night at approximately 11:30M, Leon County Sheriff's Deputies were called to the area of the 1300 block of Fernwood Drive in reference to a domestic disturbance. When Deputies arrived in the area it was discovered that a male subject had been struck by a Jeep Cherokee driven by his girlfriend, 30yoa Karmen Oliver. The male subject suffered severe injuries and was transported to Tallahassee Memorial Hospital. The male subject is expected to recover from these injuries.

A preliminary investigation indicates Oliver and her boyfriend had been arguing over the course of the evening and at some point the male subject left Oliver's residence on Poplar Drive and began walking on Dome Level Road when he was struck by the vehicle being operated by Oliver. It has yet to be determined under what circumstances the male subject was struck by the vehicle driven by Oliver. Leon County Sheriff's Office Traffic Homicide Investigators are reconstructing the crash, as Violent Crimes Detectives are reviewing statements and physical evidence to determine if charges will be filed as a result of this crash.
