Teens Arrested for School Break-in

Tallahassee- Three Tallahassee teens were arrested and charged with Burglary and Grand Theft at Fairview Middle School.

Shortly after 6:00 AM on Monday, June 4th, deputies were dispatched to Fairview Middle School, 3415 Zillah Road, reference a burglary alarm. As deputies and Tallahassee Police officers took perimeter positions around the school, Sgt. Judy Suchocki (TPD) reported seeing three subjects walking on the south side of the campus. Deputies and Sgt. Suchoki converged on the subjects and they were taken into custody without incident.

School property, including a lap top computer, was seized from the subjects.

After further investigation, it was discovered the subjects had entered the school by kicking in a door. During interviews with deputies, all three subjects admitted to the burglary and theft.

Sheriff Larry Campbell said “this is a textbook example of the teamwork our agencies demonstrate on an almost daily basis. Blue uniforms sharing the perimeter next to green formed a net these suspects couldn’t slip through”.

The three subjects, ranging in age from 15-17 years old, were taken to the Juvenile Assessment Center charged with Burglary and Grand Theft.
