Man on Probation for Murder Arrested for Dealing Drugs

Yesterday at approximately 10:00am, Deputy Chris Poole conducted a traffic stop of a vehicle which was speeding in the 300 block of Ridge Road. During the traffic stop Deputy Poole made contact with the driver Frank Mills. While talking with Mills, Deputy Poole detected the strong odor of marijuana emanating from his person. A search of Mills revealed he was in possession of 15 grams of marijuana. The owner of the vehicle was a passenger in the vehicle and provided consent for a search of the vehicle. During the search a small black leather case was discovered between the driver's seat and center console, which contained ten small orange baggies containing 4.5 grams of cocaine. The cocaine was individually packaged, which is commonly done for street sale. Also discovered were four additional baggies which contained 8 grams of marijuana. The marijuana was also individually packaged for street sale.

Mills was arrested for possession of cocaine with intent to sell and possession of marijuana with intent to sell. A computer check revealed that Mills had been released from prison last year and is currently on probation for second degree murder and battery on a law enforcement officer. Mills was charged on scene for violation of his probation. Mills was booked into the Leon County Jail with no bond.
