Robbery Suspect Arrested

Woodville- On 04/19/09 Leon County Sheriff deputies responded to the report of a robbery to a person at a local bank night deposit in Woodville, Florida. The victim reported that while she was making the night deposit for the Waco Gas Station, she was robbed at gun point by an unknown male.

In the beginning of June 2009 Violent Crimes detectives developed information that identified a possible suspect, Cameron Holden Gaster, involved in the robbery.

On today's date at approximately 1:00 PM, detectives located Cameron Gaster at Bert Thomas' Grocery Store on Woodville Highway. Detectives transported Gaster to the Leon County Sheriff's Office Violent Crimes Unit. Gaster was interviewed and admitted he committed the robbery due to him being unemployed and needing money for food and provisions.

According to arrest reports, Gaster stated he was armed with a BB gun at the time of the robbery.

Sheriff Larry Campbell said "violent crimes will be on the rise as our economy is on the decline. We encourage our citizens to be ever more vigilant and aware of their surroundings to minimize their chances of becoming a victim".

Gaster was arrested and booked into the Leon County Jail charged with Robbery with a Non-deadly Weapon.
