Man Arrested for Exposing Himself to Children

On June 10, 2011, the Leon County Sheriff's Office responded to an investigation in reference to a man exposing himself to three juveniles who were walking on the St. Marks Trail near the area of Chloe Circle. The children, ages 15, 13 and 6 were walking on the trail when a man approached them and pulled his shorts down, exposing himself to them. As the children began to run away, the man chased after them briefly. All three children described the man as a thin but muscular black male in his 20s or 30s. They also said the man was near the 3000 block of Chloe Circle when this incident took place.

On June 28, 2011, Violent Crimes detectives contacted Marcono Clary, 29, at 3010 Chloe Circle. Clary was interviewed and arrested after describing the circumstances reported by the three children and indicating his involvement in this incident.
