Burglary Suspects Arrested

On June 13, 2011, the Leon County Sheriff's Office received a burglary report in the 1900 block of Harriet Drive after the suspects pictured below parked a black Dodge truck in the victim's driveway, knocked on the front door and then forcibly opened a side door by kicking it in. Once inside, the victim's alarm system activated and the suspects fled the scene.

On July 19, 2011, Property Crimes detectives received information which indicated Dalton Hall and Adam Evans had been involved in the Harriet Drive burglary. On July 20, 2011, Property Crimes detectives contacted Hall and Evans. Both were interviewed in reference to their involvement in this incident and both were arrested after confirming their involvement. Hall and Evans were taken to the Leon County Jail. On July 21, 2011, detectives also obtained an arrest warrant for Matthew Schroeder after interviews and evidence confirmed his involvement. Schroeder was located in the Wakulla County Jail on unrelated charges. Detectives were able to determine that Schroeder was the man who knocked on the front door of the residence and then Hall and Evans kicked the door open, activating the alarm.
