LCSO and TPD VICE Units Crackdown on Street Level Drug Sales

Last night VICE Detectives from the Leon County Sheriff's Office and the Tallahassee Police Department conducted a street level crack cocaine abatement operation in the Miccosukee community in eastern Leon County. This operation was conducted after several anonymous tips were received from citizens about street level drug sales occurring in the area. During this operation LCSO Detectives and TPD Investigators arrested William Bush, Katherine Capps, Michael Carr and Darius Wilson on Eden Hall Circle for the sale of crack cocaine. Later in the evening Detectives and Investigators responded to another complaint area on Hillsborough Street. During this operation Mike Kelsey was arrested for attempting to sell imitation cocaine to VICE Detectives and Investigators.

Sheriff Larry Campbell said "the success of last nights joint operation between the Tallahassee Police Department and the Leon County Sheriff Office is a direct reflection of citizens providing valuable information to law enforcement and our commitment to reduce street level drug sales. No matter where these drug dealers sell their poison, be it in the middle of the City of Tallahassee or in rural eastern Leon County, your local law enforcement is committed to taking them off our streets".
