### Woman Arrested for Stealing Funds from High School Girls Soccer Booster Club

In January 2009, Leon High School Principal Rocky Hanna reported that approximately \$10,000 had been stolen from the Girl's Soccer Booster Club. The theft was discovered by then Soccer Coach Vicky O'Sullivan who noticed irregularities in the booster clubs financial records. In January 2009, Seay was confronted with these irregularities and resigned as treasurer. At the time of her resignation Seay reportedly told Coach O'Sullivan she needed the money to pay bills and repaid the booster club the money she had stolen.

An investigation and forensic audit conducted by Leon County Sheriff's Office Fraud Detectives revealed that between April 2008 and November 2008, then booster club treasurer Charlotte Seay made \$10,798.39 worth of unauthorized transactions. Most of the transactions were for cash withdrawals from the booster clubs bank account. Seay was arrested yesterday for Organized Scheme to Defraud and Grand Theft.
