LCSO Detectives Seek Identity of Electronics Thief

On Sunday July 13, 2008, at approximately 6:00PM an unknown female suspect entered the Wal-Mart Store located at 4021 Lagniappe Way. The suspect went to the electronics department and placed a hand written note on two televisions. The notes indicated she had previously paid for the televisions and would return later to pick them up. After placing the notes on the televisions, the suspect showed a store employee the notes and requested the employee to place the merchandise on a cart. The suspect went to a register in electronics to pay for some earrings and exited the store through the grocery department, without paying for the televisions. The televisions are valued at \$1,100.

The same suspect returned to the store on Sunday July 20, 2008, and presented a note to an employee which indicated she paid for two laptop computers. When questioned by the employee about the lack of a receipt, the suspect became nervous and left the store empty handed.

The suspect in this investigation is suspected of committing similar crimes at other Wal-Marts and Sam's Clubs in North Florida. The suspect is a white female, 5'5", 160-180lbs with sandy blonde hair. The suspect left the store driving a green four door sedan. Attached are store video images of the suspect.

If you have information about the identity of the suspect, please contact the Leon County Sheriff's Office at (850) 922-3300 or Crime Stoppers at (850) 574-TIPS (8477). Remember, Crime Stoppers does not want your name, just your information. You could be eligible for a reward of up to \$1000.
