### LCSO Investigating Shooting in Eastern Leon County

Last night at approximately 9:15PM, Leon County Sheriff's Deputies responded to 11904 Mahan Drive in reference to a person being shot. When deputies arrived they discovered Larry Gardner, 49yoa, lying outside, in front of the residence and that he had been shot once in the stomach. Early indications are that Gardner was visiting the home of Greg Moss, 58yoa. When Gardner was asked to leave the residence it is alleged that Gardner attacked Moss and a violent physical altercation ensued. During the altercation Moss armed himself with a handgun and Gardner was shot once in the stomach.

Gardner was transported to Tallahassee Memorial Hospital where he remains in critical condition. Violent Crimes and Crime Scene Detectives responded to the scene and are investigating this shooting. Detectives are attempting to determine the events which led to the shooting and are monitoring Gardner's condition. No arrests have been made.
