## Hollywood, Florida Woman Charged with Indecent Exposure

**State Capitol Building-** A Leon County Sheriff's Deputy arrested a Hollywood, Florida woman after witnessing her disrobe on the steps of the State Capitol.

Shortly after 3:00 AM this morning Deputy Anthony Geraldi was stopped in his marked patrol cruiser at the intersection of South Monroe Street and the Apalachee Parkway. According to reports, he observed a white female climb the front steps of the Old Capitol. Geraldi reported that before the signal changed he witnessed the white female take off her clothing exposing her completely naked body eastward towards the Apalachee Parkway. After disrobing the woman reportedly began waiving her arms and jumping up and down.

Deputy Geraldi arrested the woman without incident. Ana Galego was booked into the Leon County Jail charged with Indecent Exposure. She has since been released on a \$500 bond.
