Single Car Crash Kills One Person

On August 6, 2011 at 4:54 a.m. the Leon County Sheriff's Office responded to Conner Boulevard, just east of Trojan Trail in reference to a single vehicle crash. The preliminary investigation has shown that a 2008 Mazda being driven by 23 year old Brandon Davis was traveling east on Conner Boulevard in the inside lane. Amber Roach, 22, was a passenger in the vehicle.

As it approached a curve east of Trojan Trail, the vehicle veered to the right, entered into a skid and crossed the center median striking a tree. The vehicle then rolled several times before coming to rest on the shoulder of Conner Boulevard.

As a result of the crash, Davis was transported to Tallahassee Memorial Hospital with serious injuries. Roach died at the scene. The Leon County Sheriff's Office Traffic Homicide Unit is continuing the investigation into the circumstances surrounding the crash.

An autopsy is scheduled for tomorrow.

The portion of Conner Boulevard between Trojan Trail and Lone Feather Drive will be closed while the investigation continues. Traffic is being diverted in the area.

The Leon County Sheriff's Office reminds motorists to always wear seatbelts and never drive under the influence of any intoxicating substance.

Remember: **BUCKLE UP, SLOW DOWN AND DRIVE CAREFULLY.**

Sgt. James McQuaig, Public Information Officer
