## **Man Shot While Driving on Apalachee Parkway**

Last night, at approximately 9:30PM, a Tallahassee man reported he was driving west in the 7000 block of Apalachee Parkway, when he observed a newer model, maroon with tan trim, Dodge truck driving in the westbound lane next to him. A few moments later the victims' driver side door window shattered and the victim realized he had been shot in the right arm. The victim drove himself to the hospital where he was treated for a non-life threatening bullet wound. Crime Scene Detectives recovered the bullet in the passenger side door of the victims' vehicle.

The victim described the driver of the suspect vehicle as a white male, heavy build, with no shirt on. A passenger in the suspect vehicle is described only as a white male, wearing an unknown type shirt.

Leon County Violent Crimes Detectives ask anybody that may recognize the truck description or the suspect description to please contact Crime Stoppers at (850) 574-TIPS (8477). Remember, Crime Stoppers does not want your name, just your information. You could be eligible for a reward of up to \$1000.
