LCSO Arrests Second Person in Farmers and Merchants Bank Robbery

On Tuesday, September 21, 2010 at approximately 9:51am, Jesse L. Green walked into the Farmers and Merchants Bank, located at 4210 West Tennessee Street. Green approached a teller, tried to hide his face and demanded money. Green fled the bank with the stolen cash, got into a red car and was later arrested at 3216 Nekoma Lane Apt. B, after TPD Officer David Aldridge spotted the vehicle parked near the residence.

Violent Crime Detectives conducted witness interviews and collected physical evidence, including clothing worn in the robbery and cash, from the scene on Nekoma Lane. Jesse L. Green was later interviewed by detectives and admitted to committing the robbery.

Since then, detectives have continued to pursue leads, conduct interviews and complete forensic examinations. On September 29, 2010, detectives located and interviewed Nakeva Springer, 25. Detectives learned that Springer was the driver of the car used in the robbery. Springer knew about Green's plans to commit the robbery and agreed to help. Springer drove Green to the bank and then profited from the robbery by receiving some of the stolen money as payment.

Sheriff Larry Campbell stated, "These detectives have worked non-stop in following up on this case. They have compared notes with other agencies and reviewed all of the evidence available to them. Their hard work in this incident has finally paid off."
