Update: LCSO Continues to Investigate Traffic Fatality

On Saturday, September 04, 2010 at approximately 3:19 pm, the Leon County Sheriff's Office received reports of a two vehicle traffic crash near the intersection of Tram Road and W. W. Kelley Road. LCSO Uniform Patrol Deputies and the Traffic Homicide Unit responded to the scene.

Preliminary information indicates that two vehicles collided in the intersection causing multiple injuries and one fatality. Traffic Homicide Deputies believe a gray 2010 Toyota Camry, driven by Veronica Baber, 33, was traveling north on Old Plank Road. The Camry was occupied by Eleanor Monts, 53, and Kiera Monts, 13. A white 2001 Ford F350 truck, driven by John Stanley, 46, was traveling west on Tram Road. The two vehicles collided in the intersection. As a result of this collision, Eleanor Monts died.

Preliminary autopsy results indicate Monts died from blunt force trauma related to the crash. Traffic Homicide Deputies are continuing the forensic examination of the evidence and scene.

The investigation is ongoing and no decision has been made concerning charges in this case.
