### Sex Offender Arrested for Failing to Notify Law Enforcement of Change of Address

On Wednesday September 2, 2009, Leon County Sheriff's Office Sergeant Steve Norville of the Sexual Offender\Predator Unit conducted a sex offender address verification of Robert Pompey. Pompey's registered address was 2458 King Street, but an investigation revealed that Pompey had moved approximately a month ago. Pompey had moved without notifying the Department of Highway Safety and Motor Vehicles and updating his current address. Sergeant Norville located Pompey today at an address in the 2900 block of Baron Lane. Pompey was arrested and booked into the Leon County Jail.

Sheriff Larry Campbell said "this agency takes a proactive approach to tracking and verifying the locations of known sexual offenders and predators that live in Leon County. Frequent sex offender address verifications are conducted to ensure that sex offenders are in compliance with Florida Statute and that citizens know their current address. When a sex offender is found out of compliance with Florida Statute they will be arrested."

In Florida, designated Sexual Offenders are required to notify the Department of Highway Safety and Motor Vehicles within 48 hours of change of address. The Leon County Sheriff's Office Sexual Offender\Predator Unit is responsible for a variety of tasks, which include the investigation and enforcement of Florida's Sexual Offender/Predator registration laws and community notification of sexual offenders and predators residing in Leon County.
