### LCSO Investigating ATM Theft from Woodville Mart

Early this morning at approximately 1:15AM Leon County Sheriff's Deputies responded to the Woodville Mart located at 9019 Woodville Highway in reference to a burglary alarm. When Deputies arrived it was discovered that the stores front window had been broken and an ATM machine had been stolen. Leon County Sheriff's Office Burglary Detectives have reviewed store surveillance video which revealed a maroon Dodge truck backed up to the front window and an unknown suspect wearing a black hooded sweatshirt, dark pants, blue gloves with a black mask covering his face, exited the passenger side of the vehicle and broke the store window. The driver then exited the truck and handed a chain, which was attached to the trucks trailer hitch, to the suspect inside the store. The driver was wearing a black shirt, dark jeans, dark gloves, with a mask covering his face. The suspects then wrapped the chain around the stores ATM machine, pulled it out of the business and loaded it onto the truck. It appears the suspects fled the area travelling south on Woodville Highway.

Burglary Detectives ask anybody that may recognize the pictured vehicle or has any information about this crime to contact the Leon County Sheriff's Office at (850) 922-3300 or Crime Stoppers at (850) 574-TIPS (8477). Remember, Crime Stoppers does not want your name, just your information. You could be eligible for a reward of up to \$1000.
