Shooting Investigation Continues

At approximately 3:45am on September 25, 2011, the Leon County Sheriff's Office responded to a shooting at 8526 Forest Wood Drive. When deputies arrived they discovered two men with gunshot wounds. One man had been shot in the arm and in the neck. The other had been shot in the head. Both men were transported to Tallahassee Memorial Hospital. One victim was treated and released while the other remains hospitalized in critical condition. A third person was inside the residence at the time of the shooting but was not injured during the incident.

Detectives learned that two men entered the residence, demanded money and began shooting the victims. Detectives from LCSO's Crime Scene Unit collected forensic evidence from the scene while Violent Crimes Detectives canvassed the area and conducted interviews. Detectives are continuing to work with the victims in attempts to learn more about the suspects in this case; however, this process has been slowed due to the nature and significance of the injuries.

Anyone with information about this incident is asked to contact the Leon County Sheriff's Office at (850) 922-3300 or Crime Stoppers at (850) 574-TIPS (8477). Remember, Crime Stoppers does not want your name, just your information. You could be eligible for up to a \$1,000.00 reward.
