School Resource Deputy Arrests Suspect for Soliciting Student for Sex

Today PACE School Resource Deputy Heath McMullen was advised by a student that while walking to school this morning an unknown male solicited the student for oral sex. The victim reported the following; while walking in the area of Orange Avenue and Meridian Street an unknown male stopped and asked the victim for their name and drove away. The suspect again approached the victim in the area of the Apalachee Ridge neighborhood and asked the victim if they knew of anybody that wanted oral sex or if the victim wanted oral sex. The victim told the suspect no and continued to walk to school. Once on Zillah Road, the suspect approached the victim again and said, in essence, that he would give the victim oral sex and pay \$6.00. The victim refused and upon arriving at PACE School, located at 3413 Zillah Road, the student immediately reported this crime to School Resource Deputy McMullen.

Deputy McMullen obtained a detailed description of the suspect and the suspect's vehicle, and began a search of the area. Deputy McMullen quickly located the suspect, Terron Aaron, at the intersection of Zillah Road and Omega Street and conducted a traffic stop. A computer check revealed Aaron's driver's license is suspended. Aaron was taken into custody and transported to the Leon County Sheriff's Office Violent Crimes Unit for an interview. During an interview with Violent Crimes Detectives, Aaron made statements which were consistent with the victim's account of this crime and also submitted to a Computer Voice Stress Analysis (CVSA). Aaron was booked into the Leon County Jail and is charged with Lewd and Lascivious Conduct/Soliciting a minor under 16yoa.

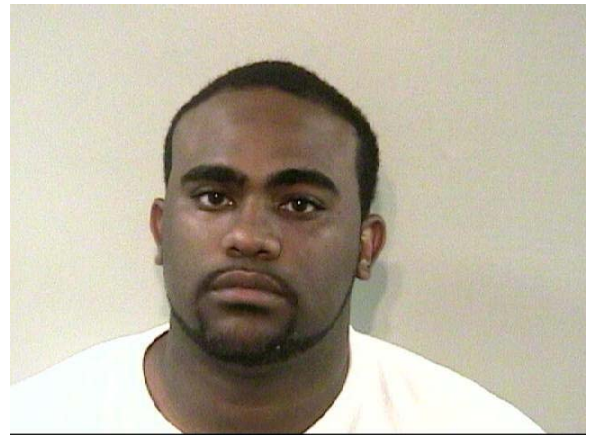

Arrested:

Terron Aaron

DOB: 02/02/1985

Charges:

Lewd and Lascivious Conduct/Soliciting a minor under 16yoa
