## Arrest in Traffic Fatality

**Leon County Jail-** A Leon County man has been charged in connection with the traffic fatality involving an elderly pedestrian on Williams Road.

On July 29, 2007 just before midnight, Henry Shaw was walking on Williams Road near Yashuntafun Road when he was struck by a 1986 Buick being driven by Verro Chambers.

During the two and one-half month investigation, Traffic Homicide Investigators learned that Chambers was driving without a valid license. Investigators compiled statements and evidence from their investigation and presented their findings to the State Attorney's Office. On October 10<sup>th</sup> warrants were then obtained for Chambers, charging him with Operating a Motor Vehicle without a Driver's License and Driving without a Drivers License causing Death to Another, a 3<sup>rd</sup> Degree Felony.

Chambers, who was already in custody on unrelated charges of Possession of Cocaine and Marijuana, remains in the Leon County Jail on \$27,000 bond.

Sgt. David Frimmel said "this arrest hopefully helps the grieving family with closure surrounding the circumstances of the death".
