Deerlake Middle School Student Struck by Vehicle While Crossing Street

This morning, at approximately 8:40AM, a 12yoa Deerlake Middle School student was walking to his bus stop on Conservancy Drive near Shady Grove Way. As the school bus approached the bus stop, the child crossed the street when he was struck by a 2002 Honda Odyssey Van which was traveling west on Conservancy Drive. The child impacted the front of the vehicle and was thrown on the hood. The child suffered minor scrapes, lacerations and a possible head injury. The injures do not appear to be life threatening and the child was conscious as he was treated and transported by Leon County Emergency Medical Services to Tallahassee Memorial Hospital for evaluation and observation. The cause of the crash is under investigation by the Leon County Sheriff's Office Traffic Unit and will take several days to complete.
