Update: Traffic Crash

At approximately 1:30 pm on October 28, 2010 the Leon County Sheriff's Office responded to a traffic crash near the intersection of Capital Circle and Entrepot Boulevard. Witnesses told deputies an 18 wheeler rock hauler was traveling east on Capital Circle when it appeared to lose control. The tractor/trailer jack-knifed and struck a black Subaru Legacy that was traveling west bound on Capital Circle.

Responders from the Tallahassee Fire Department freed the two passengers in the Subaru and Paramedics transported them both to Tallahassee Memorial Hospital. The 55 year old male passenger was listed in stable condition while the 56 year old female driver's injuries were listed as life-threatening. The driver of the tractor/trailer was not injured.

This investigation is continuing and Capital Circle remains closed to traffic from Springhill Road to Lake Bradford Road.
