### **Sexual Offender On Campus**

**Tallahassee-** Deputy Charrone Reed , the School Resource Deputy at Sabal Palm Elementary School, arrested a subject today for giving false identification to law enforcement, failure to comply with registration requirements, possession of marijuana with intent to sell within 1000 feet of a school and trespass within a school safety zone.

Deputy Reed, while conducting a routine patrol of the campus, observed a suspicious vehicle parked at the entrance of the faculty parking lot. Upon further investigation, she observed that it was occupied. As she approached the car, the subject exited the vehicle and exhibited nervous behavior. He initially provided false information about his identification which further aroused her suspicion. During the course of her investigation, she was able to identify the subject as Gilfred Young , black male 07-20-72, who is currently a registered sexual offender. Mr. Young provided two different addresses to the deputy which is a violation of Florida Statutes as it relates to sexual offenders.

Sgt. Rob Reisinger stated that: "Our School Resource Deputies are on the front line in protecting our children from Sexual Offenders/Predators. This is a good example of the diligence they take in making this happen on a daily basis".
