Student Arrested for Arson at Rickards High School

Yesterday, at approximately 1:30pm, during school hours, two fires were started in two separate girls' bathrooms at Rickards High School. In each case the contents of the trash cans in the bathrooms were set on fire and each time the fires were extinguished by school staff before the fire could spread or cause major damage. School Resource Deputy Craig Henry investigated these acts of Arson and after viewing surveillance video he observed Timeshia Graham in the area of the restrooms when the fires were ignited.

When confronted with the evidence Graham admitted to igniting the fires. Graham stated she had a lot on her mind and by starting the fires she thought she would feel better. Graham was arrested today for two counts of Arson and booked into the Juvenile Assessment Center. Total damage caused by the fires is estimated at \$200.00.
