### Citizen Tip Leads to Burglary Suspects Arrest

This morning at approximately 10:00a.m., a citizen observed a subject at a residence in the 4500 block of Russell Pond Lane, which is located north of Tower Road. The subject was unknown to the witness and was observed removing a flat screen television from the home. This area has experienced an increase in residential burglaries and Deputies and Burglary Detectives have increased patrols and investigative efforts in these areas. Several suspects have been arrested and citizens living in the area of Lakewood Village and Tower Road have provided substantial information about suspicious persons and activity. The concerned citizen confronted the subject who stated he was moving the television for a friend. The alert citizen contacted the Leon County Sheriff's Office and provided a detailed description of the subject and the subject's vehicle, including the license plate number.

Deputies responded to the residence and confirmed a burglary had occurred. Detectives traced the suspect vehicle back to a residence in the 300 block of White Drive and made contact with the registered owner, who stated Tedrick D. Williams had used her vehicle this morning. The vehicles owner also advised Williams was inside her residence and allowed deputies to search the home. Williams was located inside the residence along with two televisions, three laptop computers and jewelry. The home owner advised the items were not hers and she did not know where the property came from.

During an interview Williams advised Detectives some of the items were stolen from the residence on Russell Pond Lane. Tedrick Williams was arrested and is charged with Burglary of a Dwelling and Grand Theft.

**Arrested**  
**Tedrick D. Williams**  
**DB: 06/11/1990**
