## **Dead Body Found on Commonwealth Blvd.**

Early this morning at approximately 5:30am, the Leon County Sheriff's Office was notified about the location of a dead body. A passerby reported a possible dead body near the corner of Commonwealth Blvd. and Capital Circle. When deputies arrived they found the body of a 58yoa male, laying face down on the sidewalk on Commonwealth Blvd near the intersection of Capital Circle. It appears the deceased is a homeless person who had frequented this area for several months. There were no obvious signs of foul play; however an autopsy will be conducted this afternoon to determine the cause of death. The identify of the deceased will not be released until his family can be located and notified.
