LCSO Continuing Fatal Traffic Crash Investigation

Last night at approximately 7:30 p.m. Leon County Sheriff's Deputies responded to a traffic crash involving a 1988 Ford van and a pedestrian. The crash occurred on Capital Circle Northwest just north of Tennessee Street. A 33 year-old pedestrian, Thurman Nerren, was seriously injured and rushed to a local hospital where he later died. A preliminary investigation by the Leon County Sheriff's Office Traffic Homicide Unit revealed the 46 year-old driver of the van was traveling south on Capital Circle when he struck the pedestrian who appears to have been crossing the roadway east to west. After the crash the driver immediately stopped, called for help and rendered aid. Sheriff's Office Traffic Homicide Investigators responded to the scene and are conducting a traffic crash reconstruction investigation to determine the cause of this crash. No charges have been filed.
