## **Update: Identity of Dead Man Found on Commonwealth Blvd.**

On Tuesday, December 23, 2008, at approximately 5:30am, the Leon County Sheriff's Office was notified about the location of a dead body. A passerby reported a possible dead body near the corner of Commonwealth Blvd. and Capital Circle. When deputies arrived they found the body of a male, laying face down on the sidewalk on Commonwealth Blvd near the intersection of Capital Circle.

The preliminary results of an autopsy determined that the deceased died of natural causes as a result of poor health conditions and exposure to the elements. Detectives have since located the deceased family in Alabama and confirmed his identity as Rocky Brown DOB: 09/12/1950.
