Driver Arrested in Conner Boulevard Fatality

On August 6, 2011 at 4:54 a.m. the Leon County Sheriff's Office responded to Conner Boulevard, just east of Trojan Trail in reference to a single vehicle crash. The preliminary investigation has shown that a 2008 Mazda being driven by 23 year old Brandon Davis was traveling east on Conner Boulevard in the inside lane. Amber Roach, 22, was a passenger in the vehicle.

As it approached a curve east of Trojan Trail, the vehicle veered to the right, entered into a skid and crossed the center median striking a tree. The vehicle then rolled several times before coming to rest on the shoulder of Conner Boulevard. Davis was transported to Tallahassee Memorial Hospital with serious injuries. Roach died at the scene.

In November 2011, toxicological reports confirmed that Davis' blood alcohol level was 0.090 and also contained the presence of cocaine. On December 29, 2011, Leon County Sheriff's Office Traffic Homicide Deputies charged Davis with Manslaughter by Driving Under the Influence. He was booked into the Leon County Jail.

The Leon County Sheriff's Office reminds motorists to always wear seatbelts and never drive under the influence of any intoxicating substance.
