### DETECTIVES SEEK TO IDENTIFY MAN IN MURDER CASE

In the early morning hours of Sunday, March 29, 2009, Leon County Sheriff's Deputies responded to the McDonalds/Circle K at 811 Lake Bradford Road after hearing gun shots being fired. Deputies and Tallahassee Police Officers encountered a panicked crowd and discovered that 26-year-old Curtis Brown had been shot and killed. Detectives learned that this incident was gang related and appeared to be a carry over from a local night club. Rival members from the "North Side" street gang and others from the "Holton Street/West Side" gang met near the bicycle rack in front of the McDonald's restaurant. A verbal argument quickly escalated and multiple subjects pulled handguns and began shooting. The violence left Curtis Brown, an innocent bystander, dead and at least eight others injured. Since then, Leon County Sheriff's Detectives have continued their investigation to locate and identify all of the subjects involved.

Sheriff Larry Campbell said, "The Sheriff's Office will continue to pursue every lead there is. We will not stop until everyone involved in this case is held accountable."

The man pictured below is believed to have been involved in this incident and is a person of interest in the continuing investigation.

Anyone with information about the man pictured here is asked to contact the Leon County Sheriff's Office at (850) 922-3300 or Crime Stoppers at (850) 574-TIPS (8477). Remember, Crime Stoppers does not want your name, just your information. You could be eligible for a reward of up to \$1000.
