LCSO Arrests Man for Attempted Murder

Today, Carl Mitchell Ray of Tallahassee was arrested by Leon County Sheriff's Violent Crimes Detectives for Attempted 1st degree Murder after an incident at his home involving another man. On Thursday May 6, Deputies responded to Capital Regional Medical Center after learning that 47 year old Michael Money had shown up suffering from gunshot wounds to his arm. Money told Deputies the shooting took place after Ray came home and caught him in bed with Ray's wife.

Patrol Deputies and Violent Crimes Detectives located Ray at his home at 5780 Fox Bridge Way, in eastern Leon County. Ray was interviewed by Detectives and provided a statement similar with the story told by the victim. Ray told Detectives that he returned home from work and encountered Money in his bedroom with his wife. Ray said he fought with Money briefly before going to his vehicle and arming himself with a semi-automatic handgun. When Ray returned inside the residence, Money was still there and the argument continued. As Money left through the back door, Ray followed and fired several shots at him, striking him twice in the left arm.

Crime Scene Detectives processed the scene and recovered several items of evidence, including the firearm and multiple shell casings.

Money was treated for non life-threatening gunshot wounds and released. No one else was injured during this incident.
