### LCSO and TFD Respond to Fatal Fire Death

Today at approximately 10:30 AM, LCSO received a 911 call in reference to a death at 851 Barineau Road. The call was placed by neighbors. LCSO Deputies and the Tallahassee Fire Department both responded. It was discovered that a fire had occurred at the residence. However, the fire itself was out but there was a significant amount of smoke upon arrival.

The victim, identified as Kenneth W. Durrance, a white male, 61 years of age was confirmed to be deceased. Next of kin has been notified and an autopsy will be conducted on March 10, 2011.

At this point, it is believed that the fire started in the living room of this residence. It does not appear that the fire was intentional. The cause of the fire has not yet been determined and is still under investigation.

Investigators with the State Fire Marshall's Office and Detectives with the Leon County Sheriff's Office are still investigating this incident.
