

Sheriff Walt McNeil LEON COUNTY SHERIFF'S OFFICE

HONESTY & INTEGRITY ACCOUNTABILITY TEAMWORK TRUST & RESPECT COMMITMENT TO EXCELLENCE

January 26, 2024

Dear Community Partner,

The Leon County Sheriff's Office is committed to strategic and authentic community engagement, with the goal of making Leon County a safer place to live, work and play. A new initiative we are launching along with several other community partners, is the **Capital County Community Classic!**

The Community Classic is a youth and young adult basketball tournament, specifically to engage members of our community especially vulnerable to gun violence. It is our hope, that by creating a fun sporting event, with positive law enforcement interaction, we can foster healthy communications with big impact. Each team will consist of youth and young adults who will practice with deputies leading up to the big event.

The first Capital County Community Classic will be held **Saturday, April 13th, 2024, at the Godby High School** gymnasium. The event will include basketball games, community performances, music, food and more.

This effort is not possible without the support of our local business community. We hope that you will consider investing in this initiative and the future of youth in our community. To become a sponsor or for more information, contact LCSO Community Relations Director Shonda Knight at 850-606-3270.

Sincerely,

Walter McNeil, Sheriff
Leon County, FL
