LCSO Investigates Storm-Related Traffic Fatality

On Friday, March 10 at approximately 3:00 p.m., Leon County Sheriff's Office deputies responded to a single-vehicle crash in the 4900 block of Crump Road, in the eastern Leon County.

When deputies arrived, emergency crews had already extracted an adult, male driver from a vehicle and transported him to a local hospital. The passenger, a 16-year-old female, was pronounced deceased on the scene.

The preliminary investigation finds the vehicle was traveling north on Crump Road when multiple trees in the area fell onto the vehicle and roadway. At the time of the crash, there was a storm with heavy winds passing through the area.

This incident remains under investigation and the roadway will remain closed until crews can continue to clear the trees and repair utilities.
